REGULATIONS FOR THE STURGEON FISHERY IN BRITISH COLUMBIA.

1. No one shall fish for, catch, kill, buy, sell or have in possession, any sturgeon in the Province of British Columbia, between the 1st day of June and the 15th day of July, both days inclusive, in each year, nor shall any sturgeon be fished for, caught or killed, during the weekly close time from Saturday morning at six o'clock until the following Sunday afternoon at six o'clock.

All nets or other fishing gear used, and all fish caught, during the annual close season or the weekly

close time, shall be liable to seizure and confiscation, and the person or persons so violating the law shall be liable to the fines and penalties provided by the Fisheries Act.

2. Sturgeon fishing shall be carried on only by means of gill-nets, drift-nets and baited hooks, and no person or persons shall carry on sturgeon fishing except under license obtained from the Minister of Marine and Fisheries.

3. The meshes of all nets for catching sturgeon shall not be less than twelve inches extension measurement from knot to knot, when in use fishing, and nothing shall be done to practically diminish their size. The length of each set of the said gill or drift-nets shall not exceed three hundred (300) yards in the water at one time.

The total number of sets of gill or drift-nets to be used under license by any one person or company shall not exceed five, and the joining of such nets together to make a continuous net exceeding 300 yards in total length is prohibited. The distance between adjacent nets when set for fishing shall not be less than 250 yards.

4. Not more than six (6) hooks shall be attached to each sturgeon line. Each of the said hooks shall be individually separated by a distance of not less than five (5) feet. Unbaited hooks are forbidden, and lines with hooks improperly baited with a view to evading this prohibition shall be seized and confiscated in accordance with clause 11 of these Regulations.

5. Sturgeon licenses shall be granted only to *bona fide* resident British subjects and no other person or persons shall be eligible for licenses. The holder of every sturgeon license shall be a *bona fide* resident British subject and the actual owner of the nets and other apparatus and fishing gear to be used under such license, and no transfer of such license or of the apparatus, with which the fishing is carried on under such license, shall be made to any other person or persons whomsoever, unless written permission to do so shall have been obtained from the Minister of Marine and Fisheries.

6. Each sturgeon net and each sturgeon line shall have affixed to it a wooden or metal float painted white, and of such size as to be plainly visible, upon which shall be indelibly written or stamped the name or names of the licensee or licensees and the number of such net or line.

7. Each and every licensee carrying on sturgeon fishing shall make a return with a declaration, thereto attached, under his, her or their signature, showing the number and aggregate weight of the sturgeon captured during the season for which such license was issued, such return and declaration shall be given to the local fishery officer within whose division the fishing is carried on, on or before the first day of December of the year for which such license was issued.

Sturgeon under four (4) feet in length shall not be fished for, caught, killed, bought, sold or had in possession by anyone, but if captured in nets or by baited hooks or otherwise, such undersized fish shall be liberated alive immediately thereafter, and if not so liberated the person or persons failing to comply with this regulation shall be liable to the fines and penalties provided by the Fisheries Act.

9. Applicants for sturgeon fishing licenses shall describe in their applications the locality in which they desire to fish, the quantity of nets, lines and hooks and other fishing gear, which they wish to be included in the licenses, and shall at the same time pay the fee or fees necessary to obtain such license or licenses.

10. The fee for the legal fishing season, payable on each sturgeon net of 300 yards, whether gill or drift-net, under a license, shall be five dollars (\$5), and for each sturgeon line, a fee of one dollar (\$1).

11. All materials, implements, nets, lines or appliances used, and all fish caught, taken, killed, bought, sold or had in possession, in violation of these regulations, shall be seized and confiscated, and the possessors or the owners thereof shall furthermore be liable to the penalties provided by the Fisheries Act, and any licensee wilfully violating these regulations shall forfeit his license and shall not thereafter be eligible to obtain a sturgeon fishery license.

12. These regulations shall come into force forthwith in the Province of British Columbia, and shall supersede and revoke all or any other regulations now existing or in suspension in regard to sturgeon fishing, in so far as they may relate to the Province of British Columbia.
